

# LATRELL MARABLE

Web Developer

**Phone No.:** 0995-332-4941 | **Email:** [latrellmarable00@gmail.com](mailto:latrellmarable00@gmail.com) | **GitHub:** [@Havennnn](https://github.com/@Havennnn) | **Portfolio:** [LatsMarbls](https://LatsMarbls)

## OBJECTIVE

Motivated and detail-oriented web developer, seeking a full-time position where I can contribute to real-world projects, grow professionally, and apply my skills in web and app development using modern technologies.

## EDUCATION

### STI COLLEGE ORTIGAS CAINTA (2018-2020)

*Senior high-school (TechVoc)*

- Learned basic to intermediate programming concepts using Java, Python, PHP, and C#.
- Gained hands-on experience in software development through school projects.
- Developed problem-solving and logical thinking skills through practical activities.

### STI COLLEGE ORTIGAS CAINTA (2021 – Current)

*BS in Computer Science*

- Built a strong foundation in programming and software development principles.
- Gained proficiency in Java, Python, PHP, and C#.
- Studied and applied data structures and algorithm design in academic projects.
- Developed solid problem-solving and analytical thinking skills through coursework and hands-on activities.

## EXPERIENCE

### NEKSJOB PH (Feb 2025 – April 2025)

*Backend Web Developer Intern*

- Participated in the Software Development Life Cycle (SDLC), including requirement analysis, design, development, and testing.
- Developed and implemented backend and dynamic frontend features for web applications using Laravel, MySQL, and Livewire.
- Collaborated with the development team to ensure seamless integration between frontend and backend components.
- Gained hands-on experience with version control tools like Git.

## TECHNOLOGIES

**Web Technologies:** HTML, and CSS

**Programming Languages:** Java, JavaScript, Python, and PHP

**Frontend Frameworks:** React.js, Next.js, and Livewire

**Backend Frameworks:** Express.js, Django and Laravel

**Database:** MySQL, and MongoDB

**DevOps:** Git

**Tools:** Postman

---
